

Defence Academy
of the United Kingdom

Conferences & Events at Shrivenham Station

Overview

At the Defence Academy our purpose is to develop the intellectual edge needed both to run successful government departments and military operations. Our courses are designed to unlock the cognitive skills of our students and expand their intellectual capacity.

The education we offer goes beyond the boundaries of defence and is transferable to other organisations, including partners across government, industry, charities and non-government departments.

Our full or part-time postgraduate Masters of Arts and Science degrees, Diploma and Certificate qualifications are accredited by our academic partners Cranfield University and King's College London.

The Defence Academy (Def Ac) Shrivenham Station has a range of outstanding accommodation, dining and conference facilities. While delivery of Def Ac and Lodger Unit outputs will take precedence in the allocation of resources, where spare capacity exists, other defence departments, partners

across government and industry are welcome to use our facilities. All are subject to terms and conditions.

Shrivenham is located between Oxford and Swindon, set on an attractive Station in the picturesque Vale of White Horse, it benefits from excellent road and rail links and is only 20 minutes from the M4 motorway.

Shrivenham Station is an ideal venue for conferences, meetings, networking and team events in a highly secure and confidential setting.

Our facilities include:

Various sized lecture theatres, meeting rooms, syndicate rooms, en-suite accommodation, exhibition space and a range of dining facilities; as well as various on-site services including business wifi and a range of catering services
